Choose a route of epic scale along the eastern slope of the Continental Divide. The Rockies to Teton region brims with a wide array of only-in-Wyoming experiences. Home to the Western-rooted capital city of Cheyenne, the Wind River Indian Reservation; and the snowy, Medicine Bow, Seminoe and Wind River mountain ranges, the area attracts both culture vultures and adventure seekers.

#ParkToPark

PARK TO PARK

Follow the path of those who came before us on your way to Yellowstone. Stretch your legs on the historic trails winding through the heart of Wyoming and learn about the dinosaurs that trekked them more than 100 million years ago in the Bighorn Basin. Scenery straight out of an adventure magazine and plenty of welcoming towns make the Park to Park region ideal for a variety of getaways. From rugged backcountry escapes, to relaxing hot springs retreats.

#BlackToYellow

BLACK TO YELLOW

Begin the adventure long before Yellowstone National Park's east entrance with detours through Wyoming's Black Hills National Forest, Devils Tower National Monument and Bighorn Canyon National Recreation Area. With little traffic, fewer people and wide-open skies, the black to yellow region will redefine your concept of fresh air. Dotting the spectacular landscape, you'll find charming towns where 19th-century hotels, shops and restaurants still welcome travelers and outdoor recreation abounds. Acres of public land, sagebrush plains and rolling hills set the scene for trips ranging from family outings to solitary adventures.
